

## 2026 Camp Stow Registration Information

Registration opens for residents on Feb 9 at 8am.

When registering for Camp Stow, please select all the family members you would like to register. Do not register one child at a time. If you select multiple family members they will automatically go in the cue together. If you register one child at a time, there may not be a spot open by the time you go to register for the second child.

If a week of camp is full, please sign up on our waitlist. You will not be charged to go onto the waitlist. Once a spot opens, we will contact you in the order you are on the wait list. You will have 48 hours to decide if you would like the spot otherwise your spot will be given to the next person on the waitlist.

Please be aware we are requiring payment in full for each week of camp you sign up for. With the number of late cancellations, we are forced to make this change.

The deadline for withdrawing from Camp Stow and receiving a refund with a \$20/week/child cancellation fee is February 24th. From February 25th-March 24th you can cancel with a \$50/week/child cancellation fee. No refunds will be issued after March 24th.

Stow Recreation offers financial aid for ALL our programs, even Camp Stow, so please contact us prior to registration.

If you sign up using the pre-registration option, this does not guarantee you a spot in Camp Stow. If a spot opens for the week you are pre-registered for, we will add you to the week. This option is for people who would like to pay by check.

On July 3 Camp Stow will be closing at 1pm. We will be holding a special event that day at Pine Bluff. All will be welcome, more information to come.

If your child is not attending camp for unforeseen medical reasons, please let us know as soon as possible. We will require a medical note to refund you for your child's week of camp. We need to know of any cancellations so we can give the reservation to another child. Questions about your account? Contact Laura Greenough, at 978-637-2984.
